LEAD IN CHRIST MINISTRY (LICM)

Lead in Christ Ministry is a registered, Christ-centered mission and humanitarian organization based in Pakistan, committed to serving unreached, persecuted, and marginalized communities. Founded and led by Pastor Shan Masih, LICM exists to proclaim the Gospel of Jesus Christ while responding compassionately to urgent human needs.

LICM works in regions where the Gospel has limited access, churches and trained pastors are absent, and communities face persistent challenges such as poverty, illiteracy, persecution, and social injustice. Through local leadership and community-based initiatives, the ministry focuses on long-term transformation rather than short-term relief, addressing both spiritual and physical needs.

Our Vision

To promote Christ-like ministry and cultivate a spirit of servanthood—spreading the Good News, building serving communities, advancing education, improving social well-being, and communicating the love of Christ with faith, unity, and peace.

Our Mission

To share the Gospel of Jesus Christ, disciple believers, equip leaders, and serve vulnerable communities through compassionate action, education, and sustainable development—demonstrating the love of Christ in both word and deed.

Core Values

- Respect
- Care
- Honesty
- Unity
- Humility and Discipline
- Excellence
- Encouragement and Empowerment

These values guide every aspect of LICM's ministry, leadership, and partnerships.

Motto

"With whole heart, mind, and spirit, love one another and serve one another."

Core Areas of Ministry Impact

1. Gospel Outreach and Church Planting

LICM shares the Gospel in remote villages and urban slums where many have never heard the name of Jesus Christ. Through evangelistic outreach, home fellowships, and church planting initiatives, new faith communities are established and nurtured with ongoing pastoral care and discipleship.

2. Leadership Training and Pastoral Development

The ministry invests in equipping local pastors, evangelists, and church leaders through:

- Biblical and theological education
- Discipleship and spiritual formation
- Practical leadership and ministry training

This approach ensures that churches are biblically grounded, self-sustaining, and led by trained local leadership.

3. Social and Humanitarian Services

LICM integrates faith with compassionate action by serving:

- Widows, orphans, and abandoned women
- Brick-kiln and bonded-labor families
- Children without access to education
- Families affected by illness, disasters, and extreme poverty

Support includes food assistance, winter relief, basic medical aid, educational support, and emergency response—reflecting Christ's love to those most often overlooked.

4. Children and Youth Empowerment

The ministry is committed to raising a new generation rooted in Christ through:

- Educational support and mentoring
- Character and values-based training
- Bible classes and spiritual development

LICM seeks to empower children and youth with dignity, purpose, and hope for the future.

5. Media and Digital Evangelism

In areas where public worship or outreach is restricted, LICM uses digital platforms and media tools to share the Gospel, biblical teaching, and encouragement—extending ministry impact beyond physical boundaries.

Testimony of Impact

A widow from one outreach village shared:

"For many years, we lived without a church, without a pastor, and without help. When Lead in Christ Ministry came, we felt that Jesus Himself had visited our home."

Today, that same village has an active fellowship, trained local leaders, children attending Bible classes, and families receiving consistent care—testifying to God's grace at work through faithful partnership.

Partnership and Collaboration

Lead in Christ Ministry values collaboration with churches, donors, and NGOs worldwide. With strong local presence, cultural understanding, and a commitment to accountability and transparency, LICM serves as a trusted ministry partner in Pakistan.

Partnership opportunities include:

- Church planting in unreached and persecuted areas
- Training and equipping pastors and Christian leaders
- Expanding social and humanitarian programs
- Supporting children and youth education initiatives
- Strengthening Gospel outreach through media evangelism

Whether through prayer, financial support, project collaboration, or long-term partnership, partners play a vital role in creating lasting Kingdom impact.
